

I WILL OBEY

**Chosen of God, that was Saul, but mighty was his fall
When he chose to ignore God's lead
He'd been told what to do but acted like he had no clue
So it is with fear and greed**

**To obey is better than sacrifice I will obey, I will obey
And it works when I apply it to my life I will obey, I will obey
Just 'cause something's good don't make it right I will obey, I will obey
To obey is better than sacrifice. I will obey**

**I can almost see Saul now, scratching his head and wondering how
He could do what God said do
So, instead, he spared the king, the fatted calf and the other good things
Proving, thereby, he was a fool**

**Lord I don't want to live my life like Saul
Help me, Lord to be faithful to Your call
I could easily follow my own nose
But Lord my life is where You go**

**'Cause I could be another Saul scarcely hearing Your voice at all
But Lord I don't want to be
So, Lord my life is yours to mold. Teach me Lord what I need to know
And lead me not into fear and greed**
