

Waste Me Jesus

By Luke MacNeil

E B
All my life means just on thing,
F#m G#m A B
A life of service to my Lord my God my King
E B
All my dreams all my desires,
F#m G#m A B
I lay them down upon the alter of Your fire
C#m B A B
Cause I have found that my treasure is a life of praise a life of services
C#m B A B
And where my heart just wants to be is alive to You and dead to me

E B
So take me Jesus, Break me Jesus,
C#m A
Waste me Jesus all on You

E B
All my life comes down to this
F#m G#m A B
To know You in Your death and blood and righteousness
E B
And all I have I count as loss
F#m G#m A
To know the truth behind the power of the cross
C#m B A B
Cause i have found my treasure Lord not in riches not in this world
C#m B A B
And all my heart just wants to do is forget this world and run after You
